

Share Our Spirit Campaign Awards Donation

Jo Engellant, Activities Director at Big Horn County Memorial Hospital, recalls that she was on “Cloud 9” after learning that her department received an unexpected donation from the Share Our Spirit Campaign from the Hardin Clinic. According to Jo, the monetary award of \$ 2,536.97, will be used to go directly to activities for the residents and patients of the Big Horn County Memorial Hospital. Jo and all of the staff of the Big Horn County Memorial Hospital would like to thank the Hardin Clinic and the St. Vincent’s Health Share Our Spirit Campaign for this generous and most welcomed donation.
