

New Years Baby!

Born on January 2, 2012, at 10:08 am, Allison Foster is the first born of 2012 at Big Horn County Memorial Hospital and is therefore this year's New Years Baby! Allison is the daughter of Dr. John Foster and mother Nicole and the granddaughter of Jon and Sue Atkins and Gary and Ida Foster. The attending physician was Dr. Kirsten Morissette who reported that Allison weighed 7 pounds and 3 ounces at birth and the delivery was fantastic with no problems to report. Congratulations go out to the Fosters for the birth of their new beautiful baby girl!
